

Mission and Pastoral Committee – Laity members

The Mission and Pastoral Committee reviews arrangements for pastoral supervision in the Deanery. This Committee comprises equal numbers of Clergy and Laity members. Four clergy members will be confirmed at Chapter, and we are seeking four laity members.

With the Synod now under new Area Dean's and Lay Chair, if you would like to join this committee, please can you let the Secretary know, in writing – together with a brief profile.

Laity will be sent profiles on all proposed members ahead of the November Synod meeting, either for confirmation or, if we receive more than four applications, an election will be held.

Dorothy Potter, Deanery Secretary.
