There are six questions at the core of your PDP

- C** **Core gifts** What are my gifts? Am I sharing my gifts in my everyday life and work?
- A** **Attracted by** Where may God be calling me, in mission, service, prayer, community, care for the world, ministry, social action, evangelism?
- L** **Listening** Where am I being guided to gain experience or insights? Where is the Bible inspiring and leading me?
- L** **Life plan** What is happening in my life now? What would I be doing if I could invent my ideal future?
- E** **Experience** What energises me from my current and past experience? Where am I challenged and what am I challenged by? How can I use this in God's service?
- D** **Discipleship** How am I deepening my daily spiritual life and faith? How can I become more Christ-like?

What are people saying?

“the PDP has helped me recognise where God is calling me whilst giving me the practical resources and guidance to explore this ”

“Incredibly helpful, life affirming ”

“liberating, it gets to the heart of who we are”

Whether people are new to faith or further on in their journey the process has shown itself adaptable and rewarding. Using PDP's has been one of the most transformational things I have done in my nine years here. *Revd Toby Wright*
